**AN ORDINANCE AMENDING THE SPECIAL USE PROVISIONS AND
CREATING A SHORT-TERM RENTAL PERMIT SAFETY & SECURITY PROGRAM
OF THE TOWN OF MICHIANA SHORES, INDIANA**

WHEREAS, The July 2016 Comprehensive Plan of the Town of Michiana Shores discusses the growing trend of short term rental of residential properties in terms of the population ratio between “permanent residents and summer or weekend residents” but did not fully delve into the expanding practice of owners of residential property who maintain their full time residency elsewhere and occasionally make use of their Michiana Shores for themselves and rent out the property at other times as well as those who use the property entirely as rental properties; and,

WHEREAS, this phenomenon in communities along the shores of Lake Michigan and statewide has become the topic of litigation in the early 2000s and state legislation in 2013 through 2018, including statutes providing for Short Term Rental Regulations; and,

WHEREAS, the Town found that while the exact number of Michiana Shores home being rented on a short term basis on various platforms varies annually, but as of 2020 the best estimate is that 40 homes, more or less, rented or are actively renting short term across the Town.; and,

WHEREAS, although prohibited under the Town’s Zoning Code, many incidents of rental of residential properties have resulted in a high number of instances of nuisance complaints, public health and safety, and police problems in and for the Town of Michiana Shores while violating the objectives and policies of the Town for land use in the residential zoning district and the neighborhoods, and disruption of the safe use and flow of the narrow streets and roads in the Town, all of which results in the loss of community and enjoyment and the diminution of property values throughout the Town; and,

WHEREAS, in January of 2020 the Town Council initiated efforts to create a short term rental permit, safety and security program and sought to avail itself of the Indiana Code statutes providing Short Term Rental Regulations pursuant to Indiana Public Law 73-2018 with the purpose of establishing a program to protect the public health, safety, morals, convenience, welfare, order and general welfare for both residents and guests and restore property values; and,

WHEREAS, said efforts resulted in amendments to the Comprehensive Plan for the Town of Michiana Shores created pursuant to the 500 series of the Local Government Zoning and Planning statutes of the Indiana Code at IC 36-7-4-501, *et seq.*, and IC 36-7-4-511; and,

WHEREAS, the Amendments to the Comprehensive Plan for the Town of Michiana Shores were finalized and approved by the Plan Commission on March 3, 2020 and certified to the Town Council and thereafter adopted and enacted on March 10, 2020 with the enactment and passage of Town Council Resolution 2020–02; and,

WHEREAS, the Town Council moved ahead with its draft Ordinance, Ordinance No. 2020-01 to create a Short-Term Rental Permit, Safety & Security Program which was introduced at its January 2020 Council meeting and amended at the Council meetings in February and March of 2020; and,

WHEREAS, the Plan Commission pursuant to the 600 series of the Local Government Zoning and Planning statutes of the Indiana Code at IC 36-7-4-601, *et seq.*, almost simultaneously began the process of amending the Town’s Zoning Code to make it congruent with the goals of the Town Council in its work on draft Ordinance 2020-01; and,

WHEREAS, the Michiana Shores Plan Commission duly advertised notice of a public hearing on February 21, 2020 and held the advertised public hearing on March 3, 2020 to hear public comment on proposed amendments, revisions and changes to the Town’s Zoning Ordinances and Code; and,

WHEREAS, at the Planning Commission meeting of March 3, 2020, following the public hearing, the Plan Commission bifurcated the proposal into two parts, one containing amendments to the Zoning Code to amend and add definitions, which part was continued generally, and the other part which amended the Zoning Code providing for a Special Use Provision which was approved and passed by a majority vote of the Plan Commission and certified to the Town Council; and,

WHEREAS, the Town Council took up the Plan Commission's certified Zoning Code Amendment proposal to add a Special Use Provision to the Residential District Zoning Regulations of the Zoning Code at its March 10, 2020 Council meeting in the form of Ordinance 2020-02, the Council approved it on first reading only and then amended Ordinance 2020-01 into Ordinance 2020-02, explaining "that short term rental of ANY secondary residence is not, and has not, been a permitted use in Michiana Shores, and is a direct violation of law, as is explicitly stated as such in the current zoning code Article 2 Chapter 3 Section 2-2-3-11 Part B, Item 10 ("tourist homes"); The effort underway here will lead to a compromised working solution allowing for short term rental of secondary residences in a safe and secure manner consistent with our Comprehensive Plan" and that this legislative maneuver seeks to implement the Regulation of Short Term Rentals set out in the last amended version of Ordinance 2020-01 by incorporating it into Ordinance 2020-02 so to enact an amendment in the Town's Zoning Code in proper form; and,

WHEREAS, the Council's March 10, 2020 action of Amending Ordinance 2020-01 into Ordinance 2020-02 triggered the provisions of IC 36-7-4-607 (e) (4) mandating it, being a zoning amendment, be returned to the Plan Commission; and,

WHEREAS, the Plan Commission took up the combined Ordinance existing as Ordinance 2020-02 at its meeting of April 7, 2020, a virtual meeting necessitated by the coronavirus COVID-19 pandemic as governed by Executive Order 20-09 of the Governor of Indiana, as extended by Executive Order 20-17 of the Governor of Indiana and successive orders; and,

WHEREAS, the Plan Commission approved and adopted the amended Ordinance 2020-02 on April 7, 2020, it therefore, by operation of IC 36-4-607 (e) (4) (A) becomes law when a report is given to the Town Council as of the report of Plan Commission approval to the Town Council which occurred on April 14, 2020.
